

REMARKS

Formal drawings are required and are filed herewith accompanied by a Letter to the Official Draftsperson.

Claims 11-15, 17-24 and 26-44 are pending in the present application. Claims 11-15, 17-24 and 26-44 have been objected to by Examiner. The claims are provisionally rejected under judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 34-45, 49, 52-53, 55-57, 59-60, 62-66 of co-pending Application No. 09/404,759. A Terminal Disclaimer has been provided on April 11, 2002 and is also enclosed herein.

The Abstract has been object to as not being too lengthy. Applicant has amended the Abstract herein. A replacement page with Abstract as amended is attached as is a page showing the changes made.

The claims are allowable and Applicant has complied with all formal requirements. Therefore, a Notice of Allowance is respectfully requested.

Respectfully submitted,
